

Berlesduna Primary School PE and Sports Premium Information 2020/21

At Berlesduna, we recognise the contribution of PE and sport to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School PE and Sport's Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions and training our staff to deliver in-house quality PE sessions.

We use the funding to make additional and sustainable improvements to the quality of PE and sport we offer. This means that we use the premium to:

- *develop or add to the PE and sport activities that our school already offers*
- *build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years*

There are 5 key indicators that we should expect to see improvement across:

- *the engagement of all pupils in regular physical activity*
- *the profile of PE and sport is raised across the school as a tool for whole-school improvement*
- *increased confidence, knowledge and skills of all staff in teaching PE and sport*
- *broader experience of a range of sports and activities offered to all pupils*
- *increased participation in competitive sport*
